

ENABLE GARDEN

Our local garden provides fresh vegetables during the growing season to individuals facing food insecurity.

This program promotes health, strengthens community ties, and ensures consistent access to nutritious produce.

Ways To Help

Volunteer by building wheelchair ramps, making deliveries, assisting in gardens, participating in our services, or events.

Enable Madison County is a 501(c)(3) nonprofit organization dedicated to helping the aging and homebound.

Enable Madison County's mission is to enable the aging and homebound to live at home safely, independently, and with dignity.

EMPOWERING INDEPENDENCE

SUPPORTING SERVICES

Services are designed to improve safety, mobility, nutrition, and comfort through personalized assistance that addresses residents' real needs.

CASE MANAGEMENT SERVICES

Case Management Services offer essential items and in-home support.

FALL PREVENTION

This Program provides the installation of grab bars, handrails, and non-slip items.

TEMP\$ WEATHERIZATION

This initiative helps make homes safer and more energy efficient for seniors, veterans, and homebound individuals.

OUR CONNECTION

Since 1979, Enable Madison County has supported the local community by helping seniors in need remain safe and independent at home, thanks to the efforts of volunteers and donors.

WHEELCHAIR RAMPS

Enable Madison County takes pride in managing the construction and repair of wheelchair ramps, ensuring that residents can safely access their homes.

We help elderly people, those who are homebound, and anyone with limited mobility, no matter their age. We assess properties to make sure they are safe and suitable for ramp installation.
