## **A NIGHT FOR ENABLE**

Join us Thursday, April 16, 2026 at the Stovehouse Event Center for an evening full of food and fun AND learn how your investment "enables the aging and homebound to live at home independently, safely, and with dignity.

Come together to honor Enable's legacy and ensure continued support for our aging and homebound community.

Enable's Aging in Place program empowers aging and homebound individuals to safely remain in their homes by addressing their unique physical and emotional needs. Through the support of hundreds of dedicated volunteers, we provide essential services at no cost to those we serve. This work is made possible entirely through the generosity of individual donors and grant funding.
